School Crossing Update	Nadia	<ul style="list-style-type: none"> • Thankyou to Nadia for her dedication toward this project and for her continuous follow up with the minister of transport NSW. Nadia reports our request is still in the system. The road count has been collected for this term, and Helen Dalton has lodged the letter on our behalf. • Students are using their own initiative to keep themselves safe when crossing the road. Students are waiting for cars as educated and currently supervised by teaching staff as traffic is not stopping! 		
School Bus	Nadia	<ul style="list-style-type: none"> • Proposed the idea of a school bus to transport students to and from excursions, sporting carnivals and music events. – Food for thought at this stage. • Glen is currently working on a business plan which includes a bus lease for environmental 		

		<p>classes and outdoor curriculum opportunities. Re: environmental education. He is currently liaising with Zoe from another NSW school and intends to meet with Kaye Cook in the near future to discuss further.</p>		
GGPS Cross Country	Mel B	<ul style="list-style-type: none"> This will be held on Wednesday 8th April. Kimberley Brown will be coordinating the event this year. Agreed to sell super snacks and drinks only. Students to bring their own lunch. Mel Blows to inform Alice so she can coordinate the catering. 		
SAKG/Super lunch – oven racks	Alice	<ul style="list-style-type: none"> Kitchen specialist Alice is seeking to purchase 3 oven racks for the SAKG. Jack Abell have the racks in stock for \$50- each. If the school Super lunch wishes to do an occasional food day and order meat pies/sausage rolls out of the healthy canteen booklet, we would require 6 racks to be purchased please. Approval for Alice to purchase 6 oven racks in total at \$50.00 each. 		
Disco	Adam	<ul style="list-style-type: none"> Proposed date for the school disco will be 27/3/20. Glen to contact both Mel Webley and Adam to confirm. 		
Uniform Shop	Mel on behalf of Mea	<ul style="list-style-type: none"> Unable to order current dresses as supplier does not make them anymore. Mea has sourced a very similar dress with the same gingham check size and colour. This dress will retail for \$55.00. The current (no longer able to order dress) is currently priced \$30. It has been proposed to sell the replacement dress for it's retail of \$55.00, therefore no profit to be made on the dress. The current school shorts are no longer being made by the supplier and despite extended efforts from Mea in sourcing school shorts in the same size check and colour, this was not achievable. It was proposed the school shorts be sewn/made by 		

		<p>a private seamstress as Mea can source the gingham check material, or the school shorts change colour to full black/dark green or grey. This decision would have to be made as per the school's uniform policy.</p> <ul style="list-style-type: none">• It was agreed that Glen would meet with Mea to discuss further before any decision be made.
