Principal's Report	Glen	<ul style="list-style-type: none"> • Discussed financial situation for next year. School will maintain it's disaster relief funding for 2021. Mrs Francis old teaching sport also held, but that is not a permanent position as we are no longer at the required higher number of students to sustain that position. Same number of staffing for next year. • 2 temporary positions to be filled. 1 teaching position (Mrs Francis old position) and 1 more teaching position. • Forward planning – as coming to the end of the 3 year cycle. Literacy and numeracy are key focusses. Working closely with another NSW school in doing so. • Funds provided from Ang Williamson from Carlingford West School for a 10x6m COLAR to be located at school block. Kaye and Nik will present a small presentation using 3D virtual world for a progress update. • Book week – children very engaged. • Bike week – children enjoyed the week. Bike skills are improving each year. Nice to see older students helping younger students. • Small amount of students struggling to get to school. School is supporting them and their families to help settle in. P&C offered support also. • Few enquires received from school parents. If your child is sick – please keep them at home. • Peter McBeth – Awaiting call from him regarding further update on school presentation evening.
