Farewell

I would like to thank and farewell the following Year 6 families who will not have any children at the Gol Gol Public School in 2022. The following families will be leaving us after many years here. Student Reports/Photographs/Class Item/School Magazine.

You should have received your child's report by now. You should also have received a link to your child's class item. In addition Peta Paterson has spent many hours on school photographs. If you have paid for photographs you should have received these via an email. Those who paid for school magazines will have received their copy yesterday. It has been a very busy time so please show patience and advise of any issues, in the first instance via the classroom teacher and contact me if unresolved. I take this opportunity to wish everyone a safe and happy holiday period and look forward to a fabulous 2022 school year.

Yours sincerely

Gol Gol Public School 2021 P&C Report

As the 2021 year draws to a close, I would like to take this opportunity to highlight the success the P&C have managed whilst we endured another year of an unprecedented global pandemic.

Whilst this year looked very different in many ways the P&C committed to making as many things happen, if possible, even with strict guidelines.

We managed to successfully continue: -

- Super Lunch
- Uniform Shop
- Mother's Day stall
- Major raffle was still held without the fair
- Colour Explosion School Run 4 Fun raised over \$9000
- We contributed \$1000 (\$100 per student) to students for their involvement with PSSA. This contribution assists families with travel expenses to PSSA events competing at a higher level.
- Supported the school through grant applications, we were successful for the Bendigo Bank grant of \$10,000 that contributed to the toilet/shower amenities block at our Gol Gol Cultural & Environmental Immersion Centre.
- The P&C continued meetings via Zoom and regularly supported Glen and the teaching staff.

A huge thank you to all the parents & staff that assisted with the above. It is a team effort to bring this together to enhance the school & make it a better place for our children.

We would like to extend our sincere thanks to all the teaching staff for their dedication and support of all our children over such a difficult year. We really appreciate your care and enthusiasm for their learning.

We would like to thank Mrs Janelle Lee our "Grants Co-Ordinator". We thank Janelle for her time, commitment and assistance.

We would also like to thank Robyn and the Team at the Midway Market for the continued support to the school & school community.

Well done all the students who received awards including the incoming Captains, Vice Captains and Sport Captains.

Goodluck to all the Year 6 students, we wish them well for Year 7.

I would like to sincerely thank the Executive Team (Melissa Webley, Mel Vandenberg and Belinda Schilling) for their hard work, dedication & support. It makes it easy to work with a proactive and committed team.

Wishing you all happy holidays and a wonderful 2022.

Kind regards
Nadia Wyatt
