

Communication to Parents from Principal

NSW Schools are limited in what they are allowed to do. NSW Schools are still being impacted by COVID on a daily basis.

The NSW schools' guidelines are different to outside Public gatherings and Victorian school rules and do not look like changing this year.

The Department of Education communication in relation to Presentations is re printed below.

"Updated Level 3 settings

Assemblies and Presentations

Assemblies and presentations will be allowed outdoors on school site. Cohorts should be separated with physical distancing in place where practicable. Care must be taken to avoid mixing and mingling of cohorts when entering and exiting the assembly or presentation.

Fully vaccinated visitors (including parents and carers) are only allowed to attend if completing a specific role (such as presenting) and at the invitation of the school.

All visitors must check in using the school check-in and show proof of vaccination." With regard to NSW Schools, the paragraph above that only parents with a specific role (such as presenting) can be on site cannot be breached. I have checked this with my Director of Schools and it must be adhered to.

I fully understand that many in our school community will be feeling disappointed and would like to be more involved. I will continue to work as hard as I can for this community and our students and staff in keeping everyone safe. I look forward to the day these rulings are relaxed.

I thank the P&C Executive and members for their time this year in assisting my staff and I.

Dear Parents and Guardians,

You and your family are truly amazing! It is wonderful to share that our Colour Explosion School Fun Run was a huge success.

It is fantastic to see the spirit and enthusiasm that was displayed in supporting our school. Of course, the true highlight is the smiles on the student's faces as they ran their Colour Explosion School Fun Run regardless of the terrible weather. It has already been requested by many students to make this an Annual event, which the P&C are already discussing.

We raised \$21,000 which will go toward the P&C for the new fence behind the footy goals.

More smiles to come! Your incentive prizes have been ordered and are on their way! They will arrive shortly and be distributed to students accordingly.

Again, our most sincere thanks for your support and fundraising efforts. We couldn't have done it without you!
